

Shark Week

An Emergent Reader
Student and Teacher Edition

Thank you for purchasing
Shark Week!

Help beginning readers practice sight words, counting, colors and days of the week in this repetitive text.

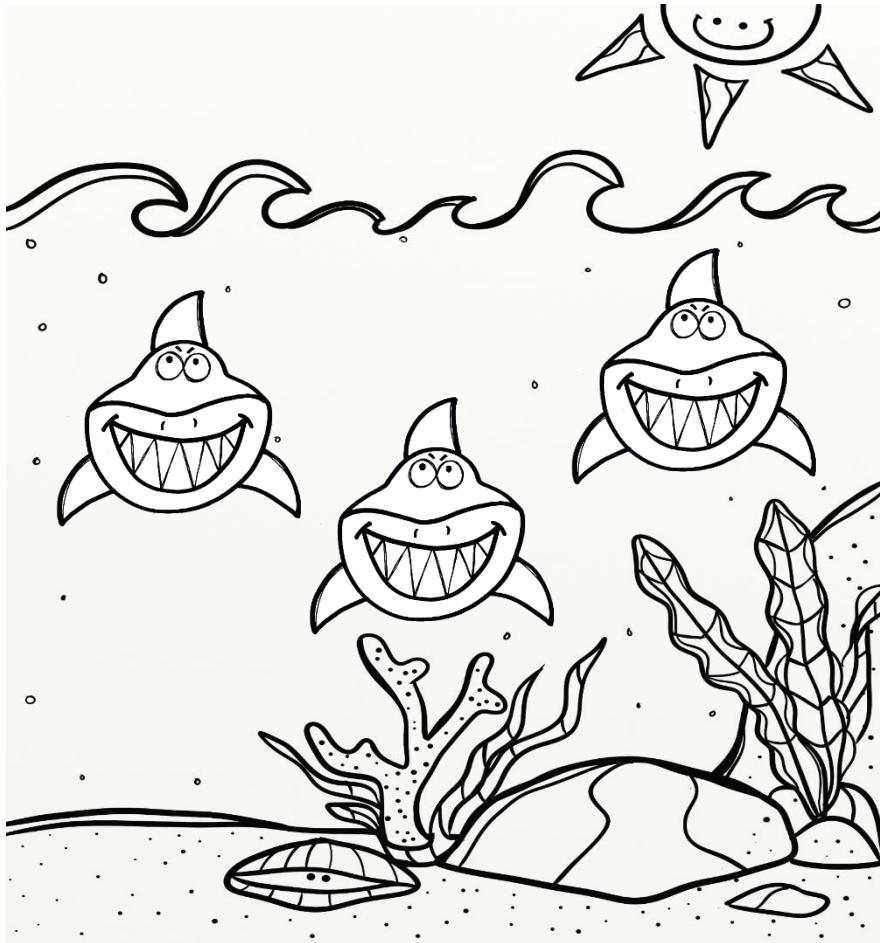

Teacher Edition:

Simply copy the teacher edition in black and white or in color to enjoy with your class. You may also consider projecting on a smartboard using the PDF.

Student Edition:

Copy and fold each page in half and staple to assemble the student edition. Students will hunt for sight words, find and color corresponding color words, and illustrate the final page on their own.

Shark Week

Can you find these
color words?

red

orange

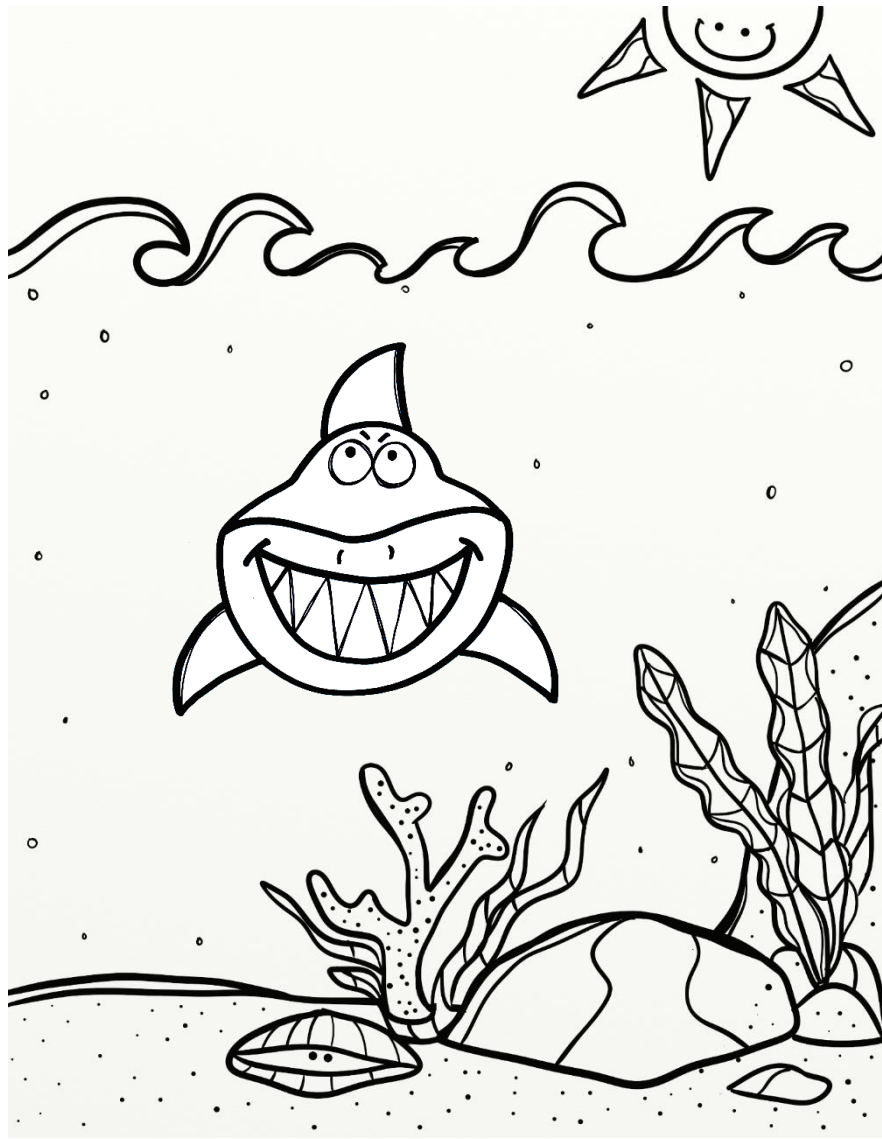

yellow

green

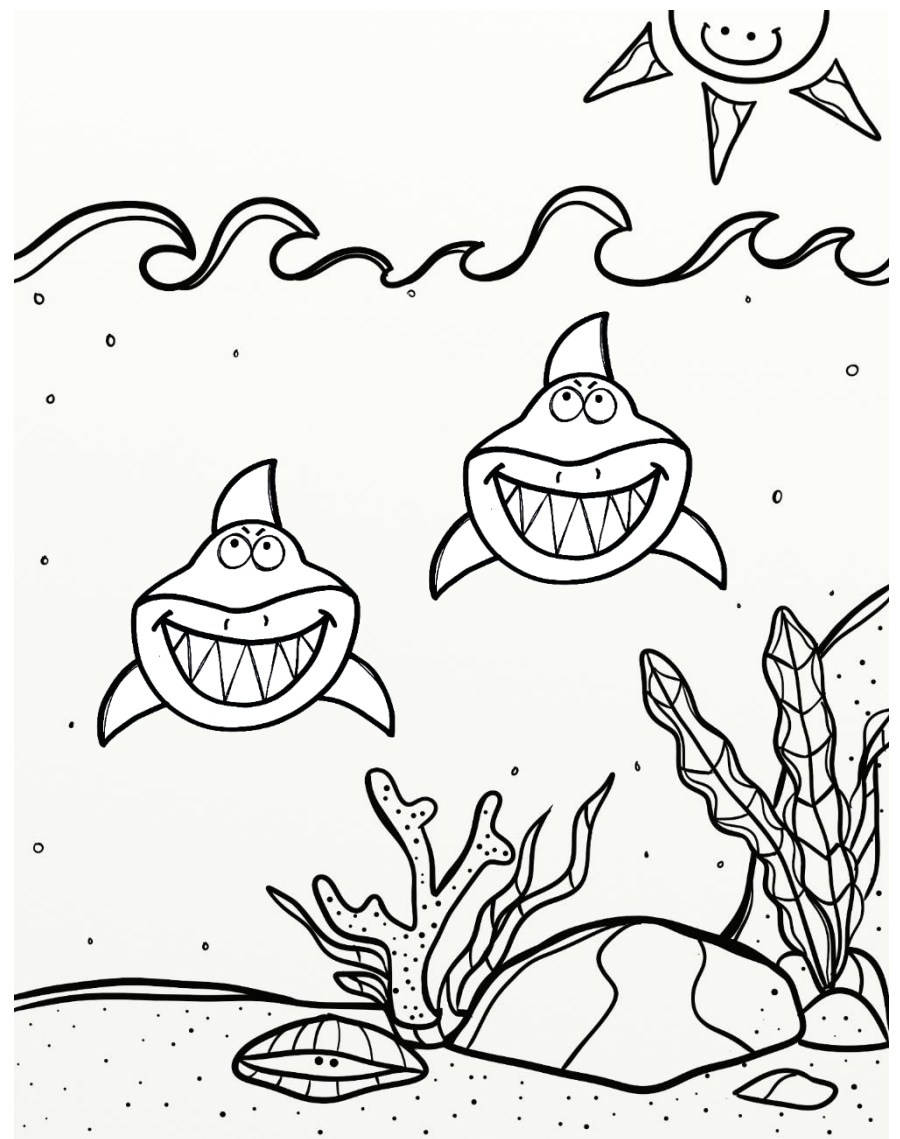

blue

purple

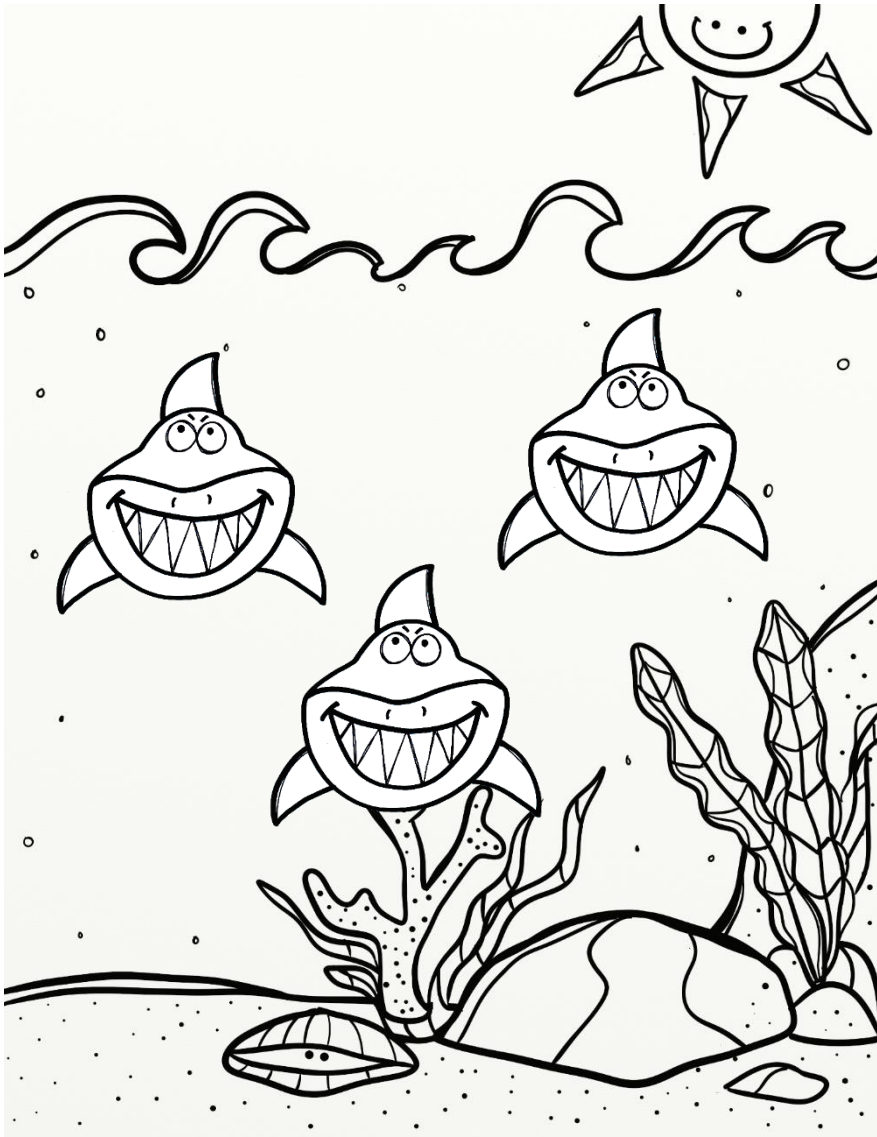

By _____

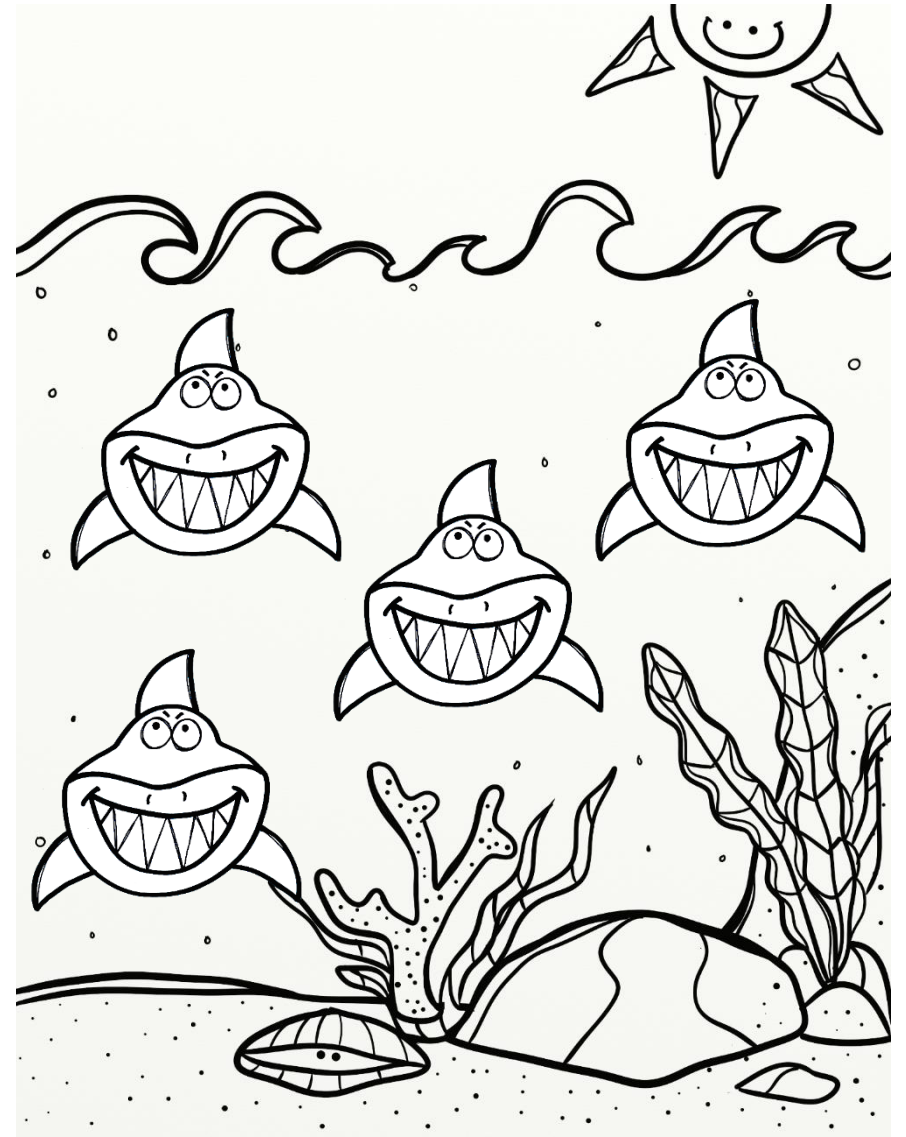

On Sunday I can see 1 red
shark.

On Monday I can see 2
orange sharks.

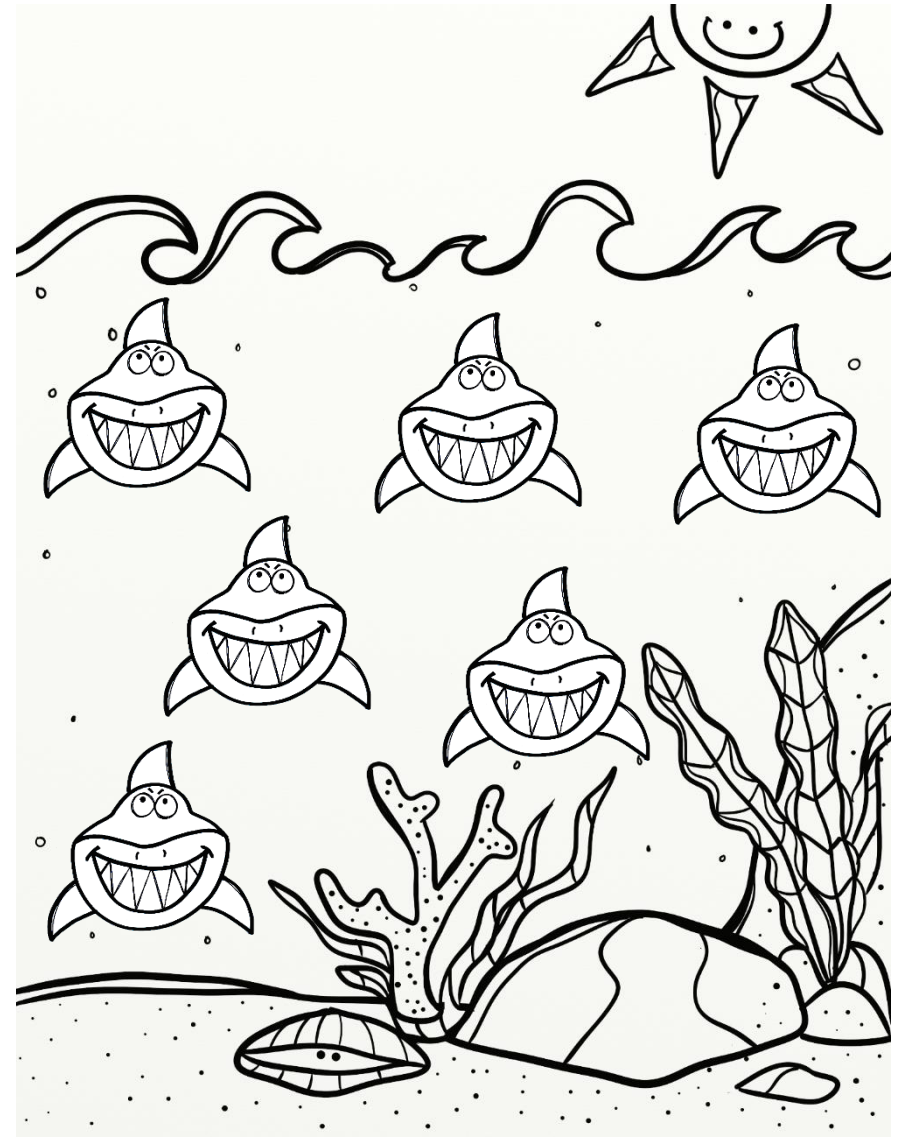

On Tuesday I can see 3
yellow sharks.

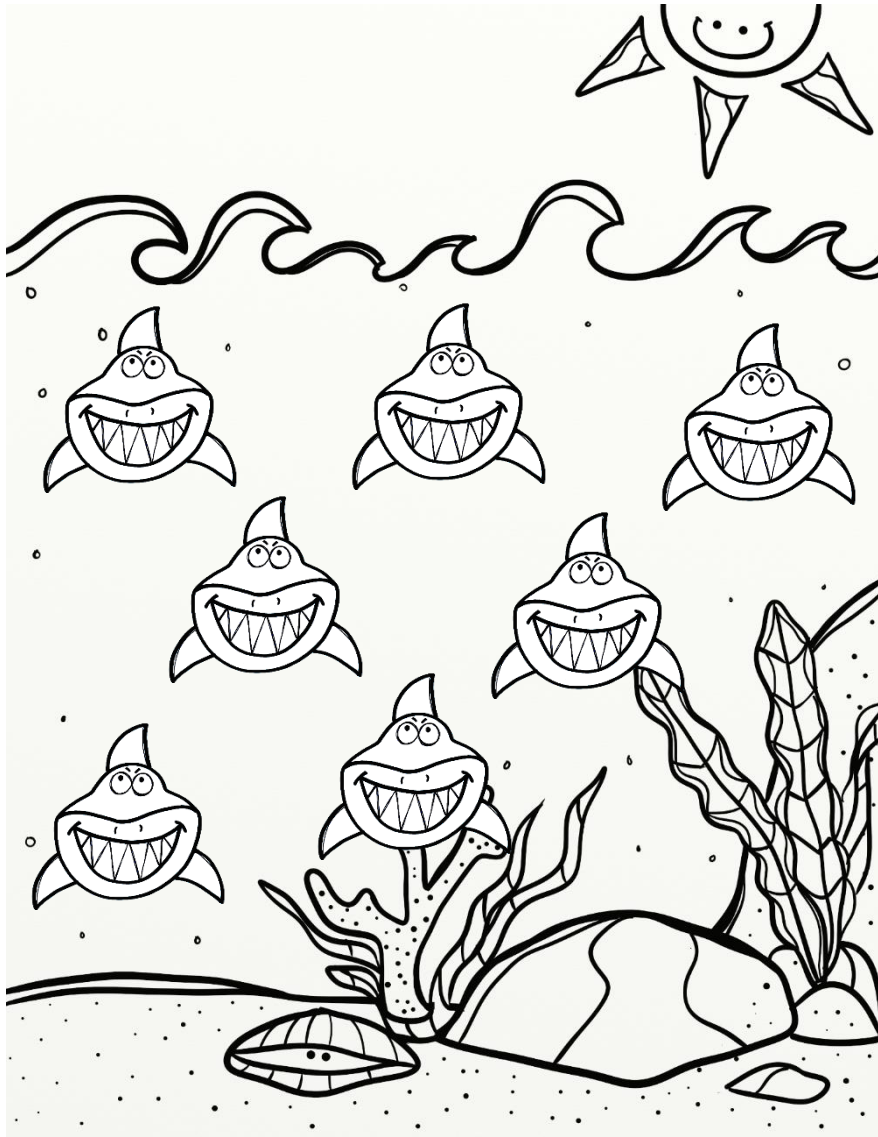

On Wednesday I can see 4
green sharks.

On Thursday I can see 5
blue sharks.

On Friday I can see 6
purple sharks.

How many sharks can you
see?

On Saturday I can see a
rainbow of sharks!

I can see ____ sharks!
